FOR IMMEDIATE RELEASE

Northbound I-710 Full Freeway Closures Next Week

EAST LOS ANGELES – The California Department of Transportation (Caltrans) will close northbound Interstate 710 (Long Beach Freeway) between Florence Avenue and Atlantic Boulevard, as well as the east and westbound Florence Road on-ramps to northbound I-710, each night next week to install rubber seals between pavement slabs as part of the pavement rehabilitation project. The off-ramps to Florence Avenue will remain open.

Specific closures times and dates are:

- **Monday, April 3, Tuesday, April 4 and Wednesday, April 5 from midnight to 4 a.m. each night.**
- **If necessary work will continue on Thursday, April 6 and Friday, April 7 from midnight to 4 a.m.**

Motorists may experience delays and are encouraged to use alternate routes.

Construction changeable message signs will be in place to alert motorists of construction activities and closures. Caltrans advises motorists to **“Be work Zone Alert.”**

As part of a \$120 million pavement replacement project on I-710 from I-105 to I-10, this project is installing precast concrete panels as well as repairing concrete slabs in various traffic lanes and locations, upgrading the median barrier, and constructing maintenance pullouts along the route to enhance safety for maintenance crews.

Shimmick/Myers and Sons Joint Venture Construction on the project, which began in August 2012 and is expected to be completed in mid-2017.
